Hi all,
I checked in with ECAD and Counsel and consistent with Jaime's response to Dave Castanon last week, EPA is fine with releasing the FLA.
Thanks,
Sahrye

Do any of you see any reason we would not share the SPD – EPAR9 Field Level Agreement on CWA Sec. 404 enforcement with Matt Bingham (Hudbay Inc.), (Rosemont Mine and Copper world)?

Tom

Tom,

In a meeting with Matt Bingham (Hudbay Inc.) recently, he asked if we could share a copy of the.

As this was an agreement between SPD and EPA, is it OK to share a copy with Mr. Bingham? OK if you want to check with Tori or SPD OC, but we'd like to be responsive soon one way or the other.

Hi Tiffany, is the field level agreement releasable? As requested by Matt Bingham today.

I searched around and I do not see it on EPA's or our website.

Thanks!
